Gaspar Nyika co-heads the Litigation, Arbitration and Tax department at IMMMA Advocates. Gaspar has more than a decade of experience on commercial arbitration and has handled several arbitration matters before international arbitration forums and tribunals.

Gaspar successfully tried more than 30 cases, principally in the High Courts of Tanzania and the Court of Appeal. He has represented several corporations in cases involving, labor, debt collection and securities. Gaspar's civil litigations have included a focus on business disputes, often involving breach of contract, employment law matters, consultancies and construction contracts and general commercial contract matters. His appellate work with the court of appeal has included arguing several civil matters and receiving successful unreported decisions.

Gaspar has also successfully represented clients in more than 100 cases including 20 tax cases involving a range of issues. Gaspar has acted for multinational corporations on a range of tax disputes and dealt with issues on the assessment of income tax and VAT disputes, transfer pricing issues and international taxation. He has advised clients on the legal aspects of both international and local taxation.
