Amel Mrabet is a Partner in El Ajeri Lawyers – EAL. She is specialized in all fields of business law. She assists companies in their investment projects (elaboration / realization).

She works on corporate acquisitions, and acquisitions of equity holdings, as well as investment and industrial partnership projects for foreign investors in different sectors as Technology, Life Sciences, Consumer Goods and Retail.

She intervenes in capital transactions, equity stakes and mergers acquisitions (M&A). She has acquired an experience in employment law so that she advises clients on restructurings, employee representation matters as well as collective or individual dismissals.

Periodically Amel MRabet participates in several international seminars and congresses on business law, tax, and employment. She contributes to the yearly World Bank "Doing Business" report, on corporate and labor law.
