 [LinkedIn profile](#)

Claver Nigarura advises on corporate and compliance matters. He provides legal advice on all corporate law issues regarding the establishment, operation, dissolution and restructuring of companies and corporate formations of every legal type of company. His clients range from enterprises to subsidiary companies; branches of foreign and multinational business organizations with regard to corporate law issues arising in the context of their activities in Burundi and abroad. He advises companies from the public and private sector as well as other organisations that have direct and indirect interests in corporate issues.

Claver also advises on commercial developments and investment, joint ventures, land use rights, leasing and facilities management, mergers, acquisitions, disposals and due diligence, property leasing and management, sale and acquisition of property, sale and lease back, and structuring of real estate transactions.

He provides advice on the entire lifecycle of a project, from the consenting and planning process, through to the construction, financing, operation, maintenance and ultimately refinancing or sale. He helps in the interpretation and enforcement of energy statutes, licenses and industry codes. His clients include debt funders, electricity generators, investors, lenders, manufacturers, private developers, project sponsors, sellers and acquirers.
