Moez Al Majdoubi is a Senior Lawyer specialized in legal disputes in commercial, civil, and criminal matters. He also has significant experience in real estate litigation, labor law litigation, industrial property & trademarks, insurance, banking and administrative law.

As an experienced litigator, he is highly familiar with the Industrials, Infrastructure and Life Sciences sectors, having handled an array of litigation and legal matters related to these sectors representing the interests of corporate and individual clients on complex issues, transactions agreements and law suits.

He has gained the trust of his clients by defining case issues factually and determining what type of legal procedures would be needed. He has the ability to present legal arguments clearly, concisely and logically in written and oral form.
